

Cheat codes

On desktop, press Enter to open chat, type one code and press Enter again. On touch controls, open Chat, enter the code and tap Send. Codes ignore capitalization and spaces at the beginning or end; enter the full code as one message.

Requested codes

Code	Effect
asdf	Add 50,000 gold.
lol	Add 10 unspent skill points.
jjwp	Add 20 unspent stat points.

Existing codes

Code	Effect
lemonq	Add 5,000 gold.
taicho	Add 1,000 gold.
greg	Add 1,000 gold.
azrin	Gain 3 levels and their normal stat, skill and talent points; stops at the level cap.
azrael	Fully restore HP and mana for your living hero and living active Tempos. Does not revive the hero.
quake team	Call one AI ally, up to three allies. Single Player only.

Codes can be repeated. Rewards and point changes are kept by the normal save system. Item gifts add nothing if the entire gift will not fit. Skill, stat and talent points are separate pools.

Ten additional codes

Supplies, progression and companion recovery.

Code	Effect
deep_pockets	Add 100,000 gold.
talenttime	Add 10 unspent talent points.
oneup	Gain 1 level and its normal points; stops at the level cap.
redbottle	Add 20 Health Draughts. Requires enough bag or belt space for the entire gift.
bluebottle	Add 20 Mana Draughts. Requires enough bag or belt space for the entire gift.
homeward	Add 10 Town Portal Scrolls. Requires enough bag or belt space for the entire gift.
embers	Add 100 Soul Embers for Tempo summoning. Requires enough bag space for the entire gift.
wellrested	Grant at least 30 minutes of Well Rested: +10% XP and +0.5 HP regeneration. Uses play time.
freshstart	Refund all allocated stat points for free. Does not reset your level, skills or talents.
secondwind	Revive all fallen bound Tempos at full HP and mana for free. Does not revive the hero.

Rest and recovery

wellrested grants the existing inn bonus; repeating it refreshes a minimum of 30 minutes without shortening a longer bonus. secondwind revives fallen bound Tempos. Use azrael to refill the living hero and living active Tempos.
